

MOOSE ALLEY RIDERS ATV CLUB, INC.
P. O. BOX 387
BINGHAM, MAINE 04920

#92
NOVEMBER 2009

The October meeting was held at the Keystone Lodge in Solon. We had a good turnout for the Harvest/Landowners supper. The food and desserts were delicious. Thanks to all who cooked and who helped in the kitchen. Two Game Wardens even showed up.

Trailmaster Bruce Cates reports all 5 trail projects plus the Williams Dam Bridge in Solon have been completed. The projects were:

1. The J.P. Trail
2. The Morris Bypass trail out on Mahoney Hill
3. Culvert installed on the power line between Rt.#16 and the Bert Berry Road
4. Cement blocks were installed on the hill behind the Fish Hatchery in Embden.
5. The re-planking of the Withee Pond Bridge.

Bruce would like to thank everyone for their help. All trails will remain open until they are groomed for snowmobilers.

ATV Maine Rep. Bill Lombard will report at the next regular meeting on the last ATV Maine meeting held in The Forks.

President Albuit and Walter Laroue have been working on tallying the trail work hours for our Municipal Grant. If you have not turned yours in, please do so, so they can be added up.

The Audit of the Treasurer was conducted by Aaron Thomas, Linda Thomas and Conan Furber. Conan said the bad news was, there was a 20 cent error and the good news it balanced to the penny. Thanks to **WALTER LAROUÉ** for doing an outstanding job as our Treasurer.

Hats off!!!! And many many thanks to JACK LIDELL for all the rides he co-coordinated this riding season, and thank you to the others who coordinated all the other rides.

The club donated a \$100.00 to the Make a Wish Foundation at Lucky Hoppers annual ride held in October.

There has been some vandalism at the Jersey barriers on the railroad bed. Trailmaster Cates stated we will probably put in a gate next spring instead of the Jersey barriers.

The next regular meeting will be held **November 12, 2009 at 7:00 p.m. at the Bingham Town Hall.**
