**#91
OCTOBER 2008**

Our September meeting was held in Bingham with a full house. President Joe Albuit welcomed old and new members.

Trailmaster Bruce Cates reports most of our trails are open. A work party was held on the 12th and 13th of Sept. out to the new Morris Bypass trail. A lot of work was accomplished thanks to all who helped. Al Webb's super Mitsubishi truck was a Godsend, Plus Walter Laroue's bucket loader. A BBQ was enjoyed by the work crew and spouses. On October 3rd and 4th there will be a bridge building on the Withee Pond Trail. Bruce also reported the rail bed will be graded and rock raked the end of October. President Albuit and Bruce announced the conveyor belt will be installed on the Williams Dam Bridge on October 24th with a BBQ for the work party. Feel free to volunteer your help. A call out for help to the Snowmobile Clubs, Horse Back Riders and Hikers, etc. If time permits there will be a ride after the BBQ.

Trailmaster Cates thanked all the Trail Foremen for all their hard work this year. Bruce would like to install a culvert by the power lines on the new trail near the hatchery.

ATV Maine Rep. Bill Lombard, Walter Laroue and ATV Maine Central VP Jeff Ireland attended the ATV Maine meeting in Naples. Bill Lombard also reported via Maurice Sargent 1 (one) vote per club is going to stand. Bill also said there will be no newspaper because of Finances.
