Hi Everyone!

First of all I must apologize for the absence of an August newsletter. My computer decided not to cooperate with me and I needed to have it repaired. I am now up and running and hopefully I'll be able to get through this whole newsletter.

Trail Masters Report. There's been a lot of traffic on the trails and they are getting a bit shop worn. Glad to see that people are out there enjoying them. There has been a new gate installed in Embden at the intersection of Levee Road and Philpot Drive. This is on the road between Rte 16 and the old Salmon hatchery. There is an access entrance for ATVs but the gate will remain locked until snowmobile season begins.

Correspondence. In August we had discussion about our Liability Insurance coverage which at that time ATV Maine was working with underwriters for coverage. I am happy to report that we now have improved coverage. For more information, go to [www.atvmaine.org](http://www.atvmaine.org)

ATV Maine report. 10 day non-resident registrations may become available for approximately half of the yearly fee of \$68.00. ATVers will be able to purchase the registration online and at some town clerk offices. Check on [www.atvmaine.org](http://www.atvmaine.org) for more information.

Tammy Kane is ATV Maine's new Business Manager. Information to reach her is also available on ATV Maine's website.

If you are having problems with ATV Maine website, try using Mozilla Firefox as a browser. A free version is available at [www.mozilla.com](http://www.mozilla.com)

Old Business Our trail master Bruce, recently collected \$95.05 for the club from can donations. Keep those nickels coming in, it does pay. Redemption centers (for bottle & can donations) are in Madison, Solon and Bingham.

New Business There was discussion about State agencies reporting to us any accident or injuries that has occurred on our trails. Our knowledge of these situations will help us to take care of any problems with our trails. We want to keep them safe. Maps are done and have been sent to the printers. *(President's note: the printers assure us the maps will be available in time for the October meeting! - Jeff)*  
Facebook and Website are current.

Saturday, October 23 will be the landowner's supper at the Keystone Lodge preceded by an ATV ride.

We discussed having our Christmas party on December 4<sup>th</sup>, 6:00pm but it has not been finalized. It will be held at a location to be announced at October meeting. It is potluck followed by a fun yankee swap.

Help in setting up and cleaning up after the ATV Maine Meeting on December 11, 2010 is needed.
